

# ACADEMIC AND CAREER EDUCATION ACADEMY

1/5/2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Academic and Career Education Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Steve Newkirk for assistance.

The AER is available for you to review electronically by visiting the following website [https://www.mischooldata.org/annual-education-report-1?Common\\_Locations=1-D,848,101,0](https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-D,848,101,0) or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not given one of these labels.

Academic and Career Education Academy provides a holistic approach to education that seeks to bridge the gap between factors that affect our "at risk" population and academic success. We strive to offer a curriculum that is guaranteed, viable and aligned, tailored to our students unique needs. We implement PBIS and MTSS strategies to overcome every day challenges our students face as well as overcoming learning loss due to the Covid 19 pandemic. Our goal as a district is to provide a positive, safe, learning environment where our students can experience academic, and social/emotional success and reach their full potential.

State law requires that we also report additional information. This information can be obtained upon request from the principal.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS
